

## ACRS HIPAA COVERED AND NON-COVERED PROGRAMS

Asian Counseling and Referral Service (ACRS) is committed to compliance with all applicable laws and regulations relating to privacy and security, including, but not limited to, the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”). ACRS provides an array of behavioral health and human services that include both covered and non-covered entity functions under the HIPAA Privacy Regulations contained in 45 C.F.R. §§ 160 and 164 (the “Privacy Rule”). As of April 14, 2015, ACRS designates itself a Hybrid Entity with designation of its Health Care Components (HCC). All other ACRS departments and/or programs not otherwise specified or designated as health care components are hereby designated as non-health care components (Non-HCC). Only the client programs listed as HCC below are covered by HIPAA. Programs listed as Non-HCC are not covered by HIPAA but are still subject to applicable state and federal confidentiality requirements. The Compliance Officer is authorized to amend the HCC and Non-HCC organizational chart presented below as required over time to maintain ongoing HIPAA compliance.
